The Society of Environmental Toxicology and Chemistry of North America, Inc. (SETAC North America) is a non-profit organization focused on advancing environmental science and management in North America through training and education, communication, collaboration, and leadership within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, as set forth in its Articles of Incorporation.

SETAC's principles are:

- Multistakeholder participation
- Multidisciplinary approaches
- Science-based objectivity

SETAC values: integrity, transparency, sustainability, inclusion, justice, equity, diversity, accessibility, cooperation and civil dialogue.

### Article II. Organizational Structure

1. The Society of Environmental Toxicology and Chemistry North America, Inc. (SETAC NA) is a Geographic Unit (GU) of the Society of Environmental Toxicology and Chemistry (SETAC; the Society).
2. SETAC is a learned scientific society, incorporated in the District of Columbia, United States.
3. The purpose of SETAC NA is articulated in its Articles of Incorporation.
4. The official language of SETAC NA shall be English.
5. The affairs of the SETAC NA shall be managed by the membership through the Board of Directors, and the SETAC NA Articles of Incorporation and these By-Laws.
6. SETAC NA has the authority to appoint an Executive Director (ED) – the SETAC NA ED - to manage the operational affairs of SETAC NA and act as Chief Operating Officer.
7. SETAC NA Regional Chapters are separate legal entities that represent members in a specific region defined in collaboration with SETAC NA.

### Article III. Membership

1. All members to SETAC NA are members to SETAC. All members of SETAC residing in NA are administered by SETAC NA.

### Article IV. Dues and Finances

1. All individual membership dues shall be established annually by the SETAC World Council (SWC). Members shall not be required to pay dues in addition to those owed to SETAC.
2. SETAC NA pays dues to the Society that are allocated among SWC activities under an annual budget subject to approval by the SWC.
3. The fiscal year of SETAC NA shall begin on January 1 and end on December 31 of the same year.

4. The Board may authorize any Officer, or the SETAC NA ED to enter into any contract or to execute and deliver any instrument in the name of or on the behalf of SETAC NA, and such authority may be general or confined to specific instances.
5. All funds of SETAC NA shall be managed by the financial policy approved by the Board.
6. Annual financial statements and applicable tax filing shall be prepared by an independent professional accounting firm and presented to the Board. The Board may request an independent audit of the SETAC NA's books and accounts at any time to be presented along with a management report.

## Article V. Elections and Formation of the Board of Directors

1. The Board shall normally consist of sixteen (16) voting members, including the Immediate Past President, with an approximate equal representation from government, academia, business, and one (1) student member, the North American Student Advisory Council (NASAC) chair. The Board will also include two (2) *ex-officio*, non-voting members, the ED and NASAC vice-chair.
2. Terms of Board members shall be three (3) years and shall be staggered so that approximately one-third (1/3) of the Board terms end each year and are open for the election of new Board members. The term of the Board student member shall be two (2) years; the first year as *ex-officio*, non-voting member and the second year as a voting member with the same rights and privileges as any other Board member. A new student member will be elected to the Board each year so there is a staggering of terms. Board members elected for a 3-year term are not allowed to run for consecutive terms.
3. The officers of the Board shall be five: President, Vice-President, Treasurer, and the Immediate Past President, and one member at large.
4. Candidates for the Board shall be nominated or self-nominated from the voting membership and must be members of SETAC in good standing and residing in North America. A call to solicit nominations will be sent to the general membership from the Nominations Committee. Nominations for positions on the Board will be presented to the presiding Board by a Nominations Committee chaired by the Immediate Past President. The nominations process must consider the experience of candidates as well as their sector, and personal characteristics (consistent with SETAC principles and values), and employer support. Sectoral balance need not be strictly applied as a criterion, when in the best interests of the Society, as long as sectoral balance is achieved over time. Nominations process should strive for sectoral balance in overall board composition, executive committee composition, as well as President rotation. While it will not always be possible to achieve complete sectoral balance, SETAC NA's goal will be to have approximately five (5) Board members from each of government, academia, and business at any given time. One or more nominations for NASAC vice-chair are brought forward to the Nominations Committee by the voting members of NASAC. Further details on the nominations and elections procedures are available in the Nominations Procedures.
5. The Board shall elect the Vice-President and Treasurer. The President will serve for one (1) year. The Vice-President will become President upon completion of their term of office. The Treasurer shall serve for three (3) years and may serve additional consecutive terms if no other suitable candidate is available and is approved by the Board. The Board shall also assign a person to perform the secretarial duties of SETAC NA.
6. SETAC NA has an allocated number of positions on the SWC and these shall be appointed by the Board and normally filled first by the officers of the Board. Nominations for positions on the SWC will be presented to the Board by the SETAC NA Nominations Committee following guidance of the SETAC NA Nominations Procedures in a fair and transparent manner. Nominations may be of any member in

good standing with SETAC residing in North America. The nominations process must consider experience, personal characteristics consistent with SETAC principles and values proportional to the membership, and employer support, as well as the sector, but sectoral balance need not be strictly applied when in the best interest of the Society, as long as sectoral balance is achieved over time.

7. Should a Board member require a leave of absence or to vacate their position on the Board (e.g., family emergency, sickness, caregiver obligations, career change, maternity/paternity obligations), the Board member must inform the Board, in writing, as to the duration of the leave of absence or the permanency of the vacancy. A leave of absence for a regular Board member should not exceed a period of six (6) months absence from Board activities or five (5) consecutive missed Board meetings, in which case the leave of absence becomes a vacancy. The Board will determine whether a leave of absence can be granted or if the absence should be a vacancy. When a vacancy occurs, the position will need to be filled to maintain Board structure and sector balance. Depending upon the position held by the Board member and the duration of the vacancy, the vacancy will be filled as follows:
  - A. For a vacancy of no longer than the last six (6) months of the term of a Board member, the position will be left vacant until the next general election.
  - B. If the vacancy of a Board member occurs with 6-12 months remaining in their term, a Special Election may be conducted with the new Board member serving the remaining term of the previous Board member plus a full three (3) year term or the vacancy may be left open until the next general election, at the discretion of the Board.
  - C. If a Board member vacates their position during year one (1) of their term, the runner up in the same sector from the previous election, if they are still interested, will be invited to fill the vacancy and serve for the remainder of the term. If not, a Special Election will be conducted.
  - D. If a Board member vacates their position with 12-24 months remaining in their term, the Board will invite a previous Board member from the appropriate sector to return and serve the remainder of the term. If such a member is not available, a Special Election will be conducted to fill the position. The elected Board member will have the option of serving for a full three (3) year term after serving their partial term, at the discretion of the Board.
  - E. Non-executive committee Board member – in any case not covered in A through D above, depending upon the time remaining in their term, the position may remain vacant until the next general election or may be filled via appointment of a previous Board member or by Special Election.
  - F. Executive Committee member – Immediate Past President or Member-at-Large will be filled from ranks of current non-executive committee Board members and serve the remainder of term.
  - G. Vice President – An extraordinary election will be held by the Board to fill this position.
